READY FOR MORE MONEY THAN YOU KNOW WHAT TO DO WITH? For too long, the subject of money has been shrouded in fear, secrecy, and anxiety. It's time to look behind the curtain at money, while stepping into the empowered financial reality that is available to you. Reading Rich As F*ck is sure to ignite an avalanche of change in the most important areas of your life. Once you finally see money for what it is and realize your power over your finances, life will never be the same. It's time you know the truth about money. It's time for you to have more money than you know what to do with. This is your blueprint. Whether you experience debilitating anxiety when thinking about your bills, are buried by debt, feel guilty for wanting more than you have, are stuck in a feast-or-famine cycle, if money has always been the problem for you and never a solution, or if you are simply seeking the next steps on your path of financial growth, this revolutionary book holds your answers. In Rich As F*ck, Amanda Frances demystifies the topic of money, cracking the code of financial liberation and abundance. Her magnetic words will open your heart and mind and help you see the truth about how money actually works.

Warning! If Money Triggers You...

This is a book about money, abundance, permission to receive, and stepping into your truth.

This is Amanda's truth and she shares her voyage from no money to lots of money with love and transparency.

If money feels uncomfortable to you - this might be just the book you need. It'll trigger you! So be aware! You might get mad, get judge-y, think ugly thoughts, because most of us weren't taught that MONEY IS JUST A TOOL. It's just another form of energy. It has no soul, no preference, no will.

We humans give it meaning.

So what's the meaning and feeling you have around money???

Enjoy the book!

Love and cheer,

Vanessa Redford

Changed My Financial Life

This book was my intro to Amanda Frances. I stumbled across it not knowing who she was, and have since read it multiple times. The reality is that she is an absolute expert in the mindset and energy behind money. I grew up in the world of budgets and saving (aka never spending). She showed me a whole other side to money- how to create a better relationship with it- and my income is now 4x higher than it was on my first reading. And that's not the only way my life is hugely transformed.

If money has felt like a struggle, if you've felt triggered or unsafe around money, if it feels like money always comes and goes... then you need to read this.

And the audiobook is amazing.

Killer Read On The MAGIC Of \$\$

I bought this book & have reread it more times than I can count. The info is deep - but if you're looking for a traditional \$\$ book, this isn't it. This book is expansive. It speaks to the principals & inner work of \$\$\$. It's about adjusting YOU to make \$\$ work in your life. It's not a dang Dave Ramsey book people- it's not about mathematics . This is for REAL INNER transformation...it covers the energy & Mindset around \$\$\$. My book is full of highlights, markings & is well loved. I highly recommend this book if you're ready to shift the way YOU interact, feel about & love \$\$.

Not A Lot Of Depth In The Content

There are better books out there on money. It seems like the author recycled what every other money coach is saying. I can't recommend this because it promotes reckless spending without real tangible tools on financial health.

Great Read On Money Abundance!

I read this book in three days and keep going back to it over and over because it is such a great tool to get your mindset right and focus on what you want. If you want to get real about money without feeling horrible about spending it like other books make you believe then you should give this a read. It's super easy to read and provides a lot of insight for you to get in the right mentality to receive and create abundance with your cash flow.

2023 wasn't just a great year for books: it was also a great year for movies — we had movies that were grandiose and intimate, movies that made us yearn and movies that made us cringe (complimentary). For the second year in a row, we wanted to bring you a list of books to pair with your favorite movie from 2023...

In *Rich As F*ck*, Amanda Frances demystifies the topic of money, cracking the code of financial liberation and abundance. Her magnetic words will open your heart and mind and help you see the truth about how money actually works.

Book Synopsis**READY FOR MORE MONEY THAN YOU KNOW WHAT TO DO WITH?**

For too long, the subject of money has been shrouded in fear, secrecy, and anxiety. It's time to look behind the curtain at money, while stepping into the empowered financial reality that is available to you. Reading *Rich As F*ck* is sure to ignite an avalanche of change in the most important areas of your life. Once you finally see money for what it is and realize your power over your finances, life will never be the same. It's time you know the truth about money. It's time for you to have more money than you know what to do with. This is your blueprint.

Whether you experience debilitating anxiety when thinking about your bills, are buried by debt, feel guilty for wanting more than you have, are stuck in a feast-or-famine cycle, if money has always been the problem for you and never a solution, or if you are simply seeking the next steps on your path of financial growth, this revolutionary book holds your answers. In *Rich As F*ck*, Amanda Frances demystifies the topic of money, cracking the code of financial liberation and abundance. Her magnetic words will open your heart and mind and help you see the truth about how money actually works.
